**Annie Malone Announces Grand Opening of  
Annie M. Café at City Hall**  
*Café to offer Breakfast and Lunch items at City Hall Cafeteria*

**St. Louis, MO** – The wonderful aroma of fresh pastries and home-made dishes will fill the air in City Hall on October 15 when Annie M. Café opens its doors as the new operator of City Hall’s Cafeteria. The Café will offer breakfast, lunch, snacks and selected specialty items on the lower level of City Hall. A ribbon-cutting ceremony at 10:30 am will mark the Café’s grand opening.

Annie M. Café is a part of an entrepreneurial endeavor of Annie Malone Children & Family Service Center, a social service agency that has served St. Louis for over a century. The Café is an extension of Annie Malone’s on-going food and catering service, Annie M. Fine Cuisine. The food service provides nutritional meals for Annie Malone’s children and for the senior residents of Homer G. Phillips’ Senior Living Center. Annie M. Fine Cuisine also caters lunches, dinners, receptions and special events for individuals, area businesses and corporations.

A portion of the Café’s proceeds will be used to offset the costs of Annie Malone’s programs and services. Annie Malone serves more than 1,000 children and families, annually, through its residential treatment program, family focus and parent enhancement workshops, therapeutic school (Emerson Academy), transitional living program, daycare and respite care services.

“We are excited about sharing our delectable secret with St. Louis,” said Richard L. King, Chief Executive Officer of Annie Malone. “Annie M. Café is sure to satisfy your palate without hurting your wallet or your pocketbook,” he said.

The Café’s breakfast menu will include pastries, fruit, hot breakfast sandwiches, breakfast meats, and made to order omelets and pancakes. The lunch menu will include chicken wings, hamburgers, fish sandwiches, polish sausages, salads and boxed lunches. The menu will also include a ‘Specialty of the Day’. Snacks, side items and assorted beverages will also be available.

Annie M. Café is currently serving a limited offering of foods in the first floor rotunda of City Hall. The Café is open for service Monday – Friday, 7:30 am to 3:30 pm. Breakfast is served 7:30 am to 10:00 am and lunch is available 11:00 am to 2:30 pm. For more information, please call (314) 531-0120.
