TRAINING CURRICULUM

This seven day, Fundamental Course shall include one hundred (100) hours of classroom lecture, instruction, power point and video presentations, home study and practice, and hands on experience. In this course you will have performed four eyeliner procedures and four eyebrow procedures. Classes will be Monday through Sunday and begin at 8:30 a.m. each day. To get the most from this course, turn what you learn into action. Be relaxed and patient as you move forward with your new profession.
